## VIVE PRODUCTS FOR SUGARBEET GROWERS

- Fertilizer Compatible
- No Extra Equipment Required
- Allosperse Delivery System

## INCREASE YIELD AND SUGAR CONTENT

**AZteroid® FC 3.3** is a fast acting, broad-spectrum fungicide that mixes well with liquid fertilizer. It cleans up soils in the root zone and provides a boost to plant health. The new high concentration formulation reduces the number of jugs to handle, triple rinse and recycle.

**PROTECTION TYPE**  
Fungicide

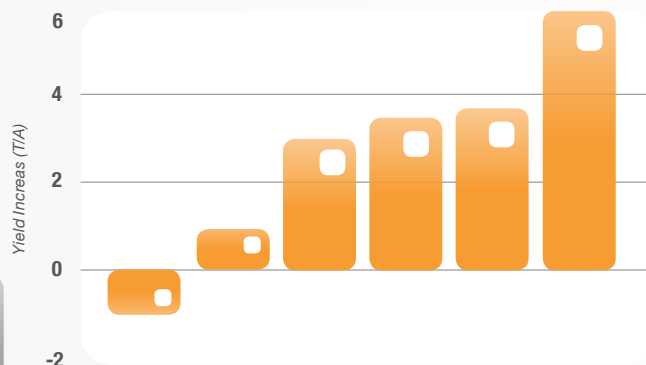

**DISEASES CONTROLLED**  
Circular spot,  
Southern blight,  
Pythium root rots,  
Rhizoctonia stem  
canker, Crown rot

**APPLICATION**  
Soil or Foliar

Added plant health benefits:

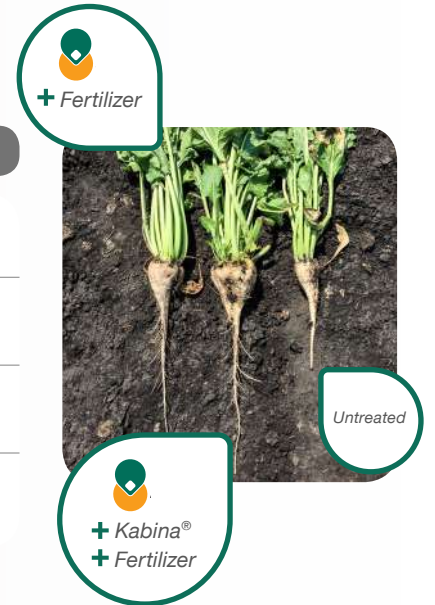

- + Improved greening
- + Maximized sugar content
- + Increase root depth

### YIELD RESULTS

Trials conducted throughout ND, MN

Average yield increase across all trials =  
**2.6 bu/ac**

## CONTROL ABOVE-GROUND PESTS

**Midac™ FC**

EPA Registration Pending

PROTECTION TYPE

**Insecticide**

PESTS CONTROLLED

**Aphids, Flea beetles**

APPLICATION

**Soil**

**Midac™ FC** provides systemic control of above-ground insects, allowing plants to thrive right from the start. It provides the trusted performance of imidacloprid with enhanced handling for increased efficiency.

## MAXIMIZE YIELD & QUALITY

**Xyler™ FC**

PROTECTION TYPE

**Fungicide**

DISEASES CONTROLLED

**Pythium, Phytophthora**

APPLICATION

**Soil**

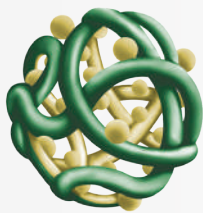

**Xyler™ FC** is a fertilizer-compatible metalaxyl formulation that controls important diseases in sugarbeets. Maximize yield and quality by controlling seed and root rots and seedling diseases to help beets start strong and stay strong.

## MAKING PROVEN PRODUCTS CUTTING EDGE

# ALLOSPERSE® DELIVERY SYSTEM

Vive products contain the Allosperse Delivery System - revolutionary nanotechnology that creates new opportunities for farmers

- ✓ Allosperse "shuttles" carry the active ingredient to its target location and ensures products mix well
- ✓ Convenience in unexpected weather: Vive products stay in suspension better for even and hassle-free application
- ✓ No expensive equipment required
